Day 2 | Explore Angkor (B/L)

After your breakfast, start your visit the ancient city of Angkor Thom, it was the last capital of the Great Khmer Empire under the reign of Jayavarman VII. This city is surrounded by an 8 m high wall, drawing a perfect square. Enter the city through the ancient South Gate, an impressive stone gate carved with Elephants and four giant faces. On each side of the entrance path a row of 54 gods or demons is holding the sacred Naga snake. Follow by Ta Prohm temple, built in the mid-12th to early 13th centuries. Ta Prohm is unique in that it has been left largely as it was found: overgrown by jungle trees and vines, with many parts of the temple crumbling to the ground. This makes Ta Prohm one of the most picturesque and memorable of the Angkor temples.

Continue to visits the biggest religious temple in the world: the magnificent Angkor Wat Temple. Built by Suryavarman II, in early 12th century Angkor Wat is constructed following the model of the temple mountain symbolizing the Mount Merou, home of the gods. Considered as the masterpiece of the Khmer architecture, this Vishnuite temple is the King's funerary temple. These are the main reasons to explain the West exposure of the temple. Inside the temple the walls are covered by carvings and bas-reliefs depicting the Hindu mythology and the wars Suryavarman II made during his reign. Stay at this magic place until the sun sets and witness how the warm evening light changes the appearance of the 2000 Apsara dancers decorating the temple. End of the day, visit sunset from where possible before back hotel.
