DAY 1: SAIGON VESPA AO DAI - HALF-DAY CITY TOUR (AM/PM)

The English-speaking guide will pick you up at the designated meeting point. Then, your journey to explore Ho Chi Minh City begins. The first stop is the **Independence Palace (outside visit)**, a must-see historical site in the city. Continue to admire classic French colonial architecture at landmarks such as **Saigon Central Post Office**, **Notre-Dame Cathedral (outside visit)** with a **Book Street** nearby, followed by an outside visit to the **Saigon Opera House** and **Ho Chi Minh City Hall**. Next, cross **Ba Son Bridge**, a new symbol of Ho Chi Minh City, where you can enjoy a panoramic view of the city's skyline, featuring Landmark 81 and the Bitexco Tower. Stop at **the Thu Thiem Tunnel rooftop** to take photos along the Saigon River. Move on to **Chinatown**, where you'll visit the **Thousand Buddha Pagoda**, a serene and ornate temple tucked away in District 5. Admire the walls adorned with hundreds of golden Buddha statues, and take a quiet moment to soak in the peaceful atmosphere. Then, stroll over to nearby **Hoa Binh Market**, a bustling local marketplace where you can experience daily life in China Town and see how the Chinese and the Vietnamese culture are melted together. Browse through vibrant stalls selling spices, dried goods, fabrics, and household items. It's a great place to interact with locals and observe the rhythms of a traditional Vietnamese market. Next part, our team ride you through **Ho Thi Ky Flower Market**, a lively local market filled with colorful stalls. Discover one of the city's hidden gems, the **Secret Weapon Bunker**, to gain insights into Vietnam's war history. Finally, conclude the tour at the **Thich Quang Duc Monument**, a symbol of the religious struggles of 1963.

At the end of the tour, the guide will take you back to the original pickup point.

Vietnamese light lunch is included. You can choose between many options: rice noodle in southern style (hu tieu), pho, broken rice, bread, ... Halal or vegan options are available.
